

Platform explanation

Credible platform goals

- Allow teachers to share practical tips
- Facilitate communication between teachers
- Keep privacy while doing these

Features

- Cases are uploaded by teachers
- Cases are reviewed by supervisors/admins
- Automatic translation to/from english
- Published cases can be searched by anyone
 - Search by disease or practical tip category.

Features II

- Messaging between teachers
 - Registration required to contact a teacher
- No private data is shown in the process, even to admins
